

## Opportunities for Community Asset Transfer of pitch and pavilion facilities

Lots of changes are taking place in your local community and these present real opportunities for local groups and organisations to get involved in running facilities and delivering services.

All Council-owned community facilities recently transferred to the new East Ayrshire Leisure Trust - including local pitches and sports pavilions - and these are now available for Community Asset Transfer. These means that they can be run by local sports clubs and community organisations.

We already have interest from a number of clubs in local pitches and pavilions and we want to ensure that everyone has an opportunity to hear about Community Asset Transfer.

Come along to either of these sessions to find out more and to meet the team who can guide you through the process, with expert advice and support.

<b>The Boswell Centre, Auchinleck</b>	<b>Wednesday 30 October</b>	<b>6.30pm-8pm</b>
<b>Shortlees Community and Learning Centre</b>	<b>Thursday 31 October</b>	<b>6.30pm-8pm</b>

*Full details on all the pitches and sports pavilions will be available on the night.*

Please register your interest in attending either of the events by phoning or emailing the contact below. If you can't attend please get in touch and we will provide full details.
